

# 1 Is Your Revenue Stable or Seasonal?

## Bank Loan

Best for businesses with stable and predictable revenue.

## Business Cash Advance

Ideal for businesses with seasonal or fluctuating revenue.

# 2 What's Your Credit Score?

## Bank Loan

Best for businesses with strong credit and financial history.

## Business Cash Advance

More accessible for businesses with less-than-perfect credit.

# 3 How Are Your Customer Payments?

## Bank Loan

Best for businesses with low customer churn or tight margins.

## Business Cash Advance

Better for businesses with high customer churn or high margins.

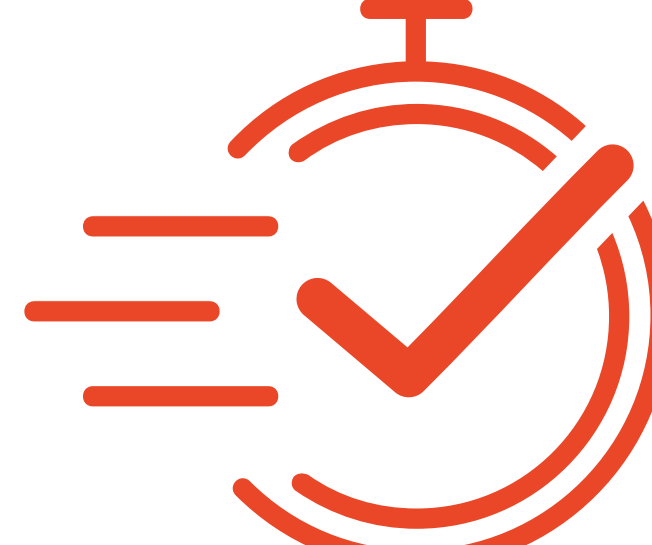

# 4 How Quickly Do You Need Funding?

## Bank Loan

Best for businesses that can wait several weeks for funding.

## Business Cash Advance

Better for businesses that need fast cash - often in 24 - 72 hours.
